The Tom series all share a common seat shell and exposed tubular frame. All are upholstered with a zipper-closed slipcover over moulded urethane foam surrounding a rigid urethane inner-shell.

The 0900 Utah is a slimly proportioned chair, available in lacquered moulded birch plywood or upholstered with zipper-closed slipcovers over fabricated foam glued to a moulded plywood substrate.

The 1100 George is a sturdy chair of 1 1/2" tubular steel, in arm or armless versions. The separate seat and back are available in lacquered moulded birch veneer plywood or upholstered with zipper-closed slipcovers over fabricated foam glued to moulded plywood shells.
