FAST FOOD SEATING

0100 Fast Food with maple seat

For cafeteria areas, a choice of beam seats and a table surface may be used with a tubular support frame. The epoxy finished frame is of 2-1/2 inch steel tubing with steel tube legs, that can be freestanding or floormounted.

Any of the armless beam seats can be used for the seats; 0502 Tom seat in birch or upholstery, 0402 Terry in birch or upholstery, 0702 Perf seat with or without upholstered pads, or the special 0100 Fast Food seat with upholstered, maple or spun-steel seat pan
