LOUNGE SEATING

Zeubra is fully upholstered lounge seating with clean lines and simple proportions. Seats and arms feature zippered slipcovers over moulded foam. Seats have steel tube inner frames and are supported by arms which rest on a clear lacquered oak skid, or on a 2-1/2 inch steel tube skid with domed ends finished in epoxy or chrome.

Zeubra is complemented by Group Four's post leg occasional tables. Zeubra is also available as a continuous link seating system.
